

Our moulded, open mesh GRP Grating is anti-slip, light in weight, durable, low maintenance, non-corrosive and non-conductive, making it a superior alternative to steel grating in many walkway applications and aggressive environments.

This grating is manufactured to comply and adhere to British Standards BS EN ISO 14122: Permanent Means of Access to Machinery and BS 4592: Flooring and Stair Treads for Industrial Use.

Brand: Barclay & Mathieson
Grade: Isophthalic FR Polyester Resin Class 2
Thickness: 50mm
Load Bearing Bar Size: 50 x 9mm (tapered)
Load Bearing Centres: A: 50mm B: 50mm
Fire Rating: B-s1,d0 to EN 13501-1
Finish/Slip Resistance: Gritted/Low Slip Risk (PTV: Dry 75, Wet 70)
Panel Weight: 23.9 kg/m²
